| Cancel | < Back | Next > |

7. Choose the folder in which the CapMapsï Software should be located. The default location will be listed in the "Folder" dialogue box. You may select "Browse" to change the location, or select "Next" to proceed.
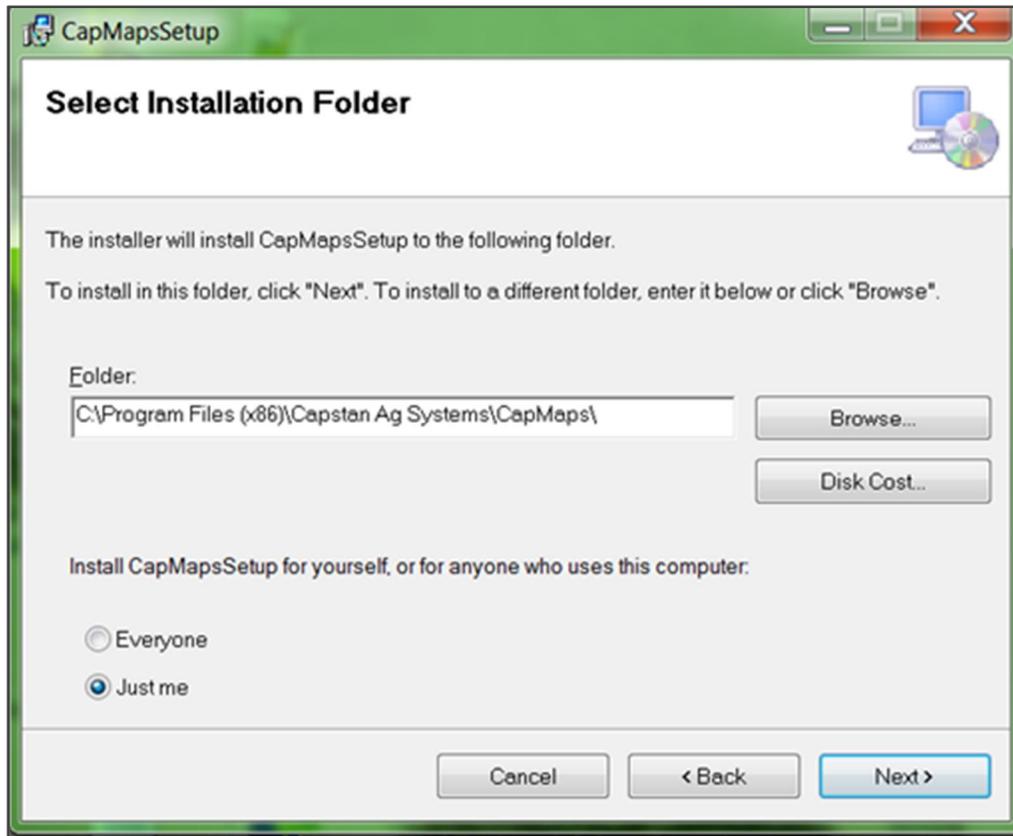

8. Confirm the installation by selecting "Next" on the "Confirm Installation" screen. If any changes are necessary select "Back" to return to the previous page(s) of the "CapMapsSetup". An option to cancel the installation is available by selecting "Cancel".
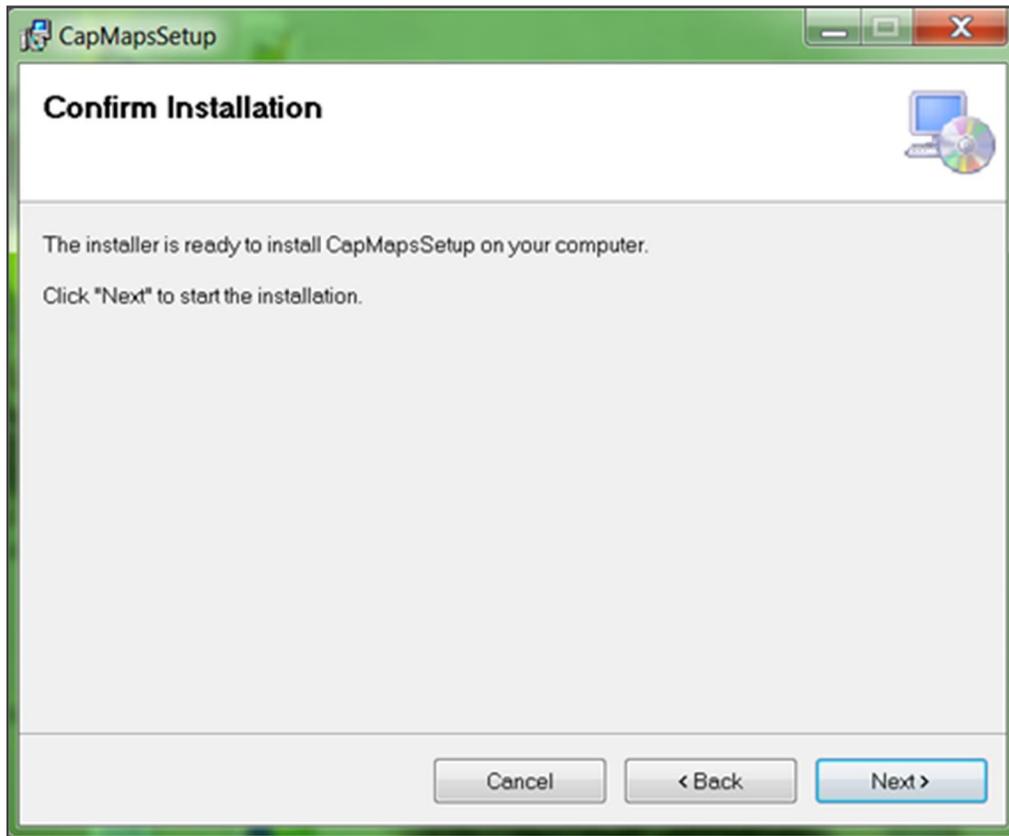

9. Installation will begin immediately. This process may take time depending on individual computer capabilities.
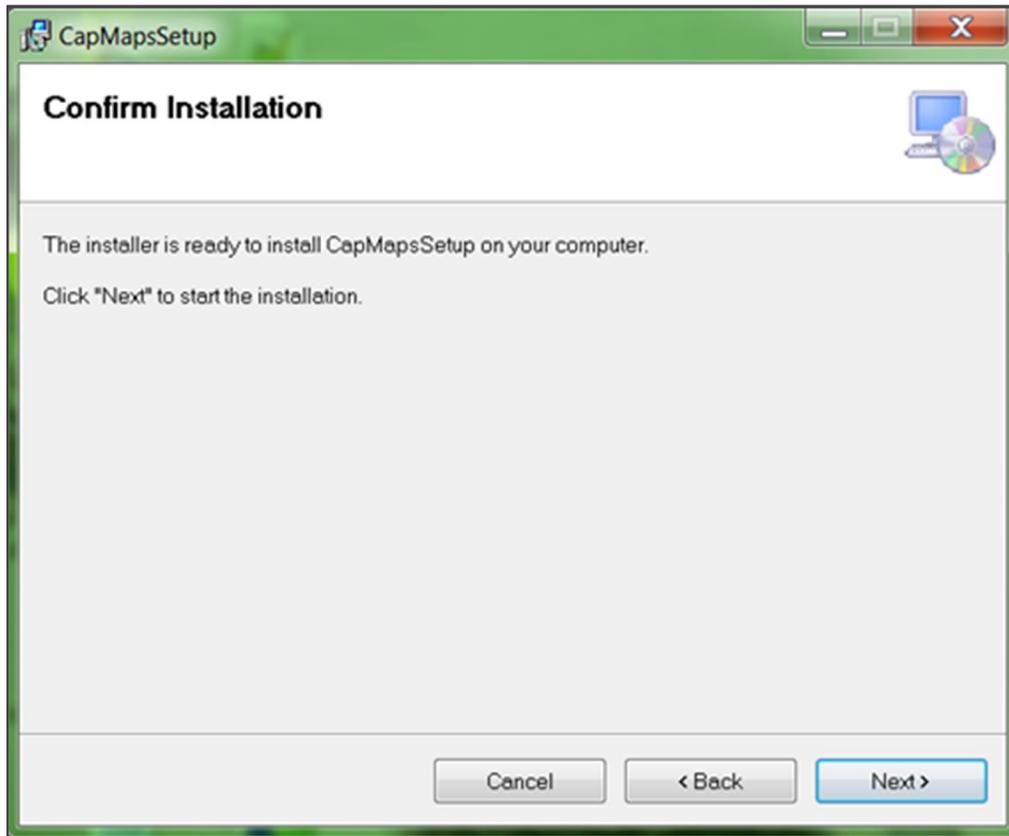

10. Once the installation is complete a prompt will appear notifying the successful installation. Select
%Close+to exit the %CapMapsSetup+Wizard. If an error occurs while downloading, please close
the program and try again from Step 1. If you are unable to download the software from
CapstanAG.com/CapMaps please contact your local Field Marketing Representative or
CapstanAGï.
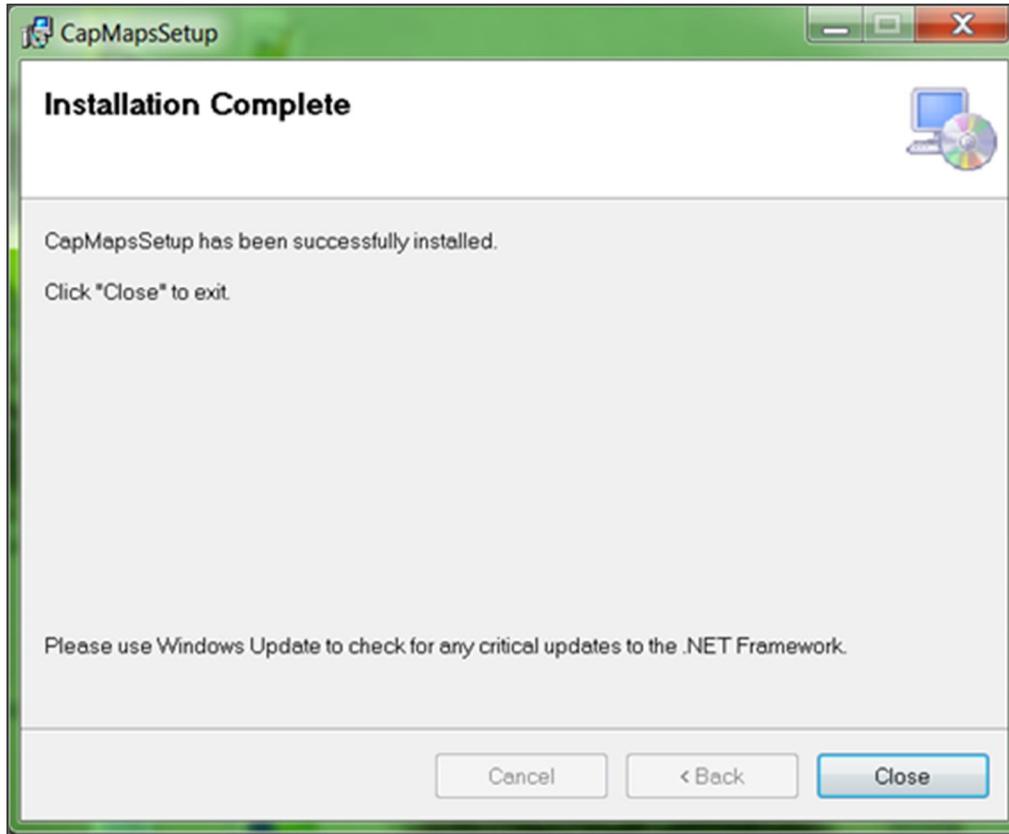

11. Return to the desktop of the computer, and select the CapstanAGï Software Icon. This icon is the CapstanAGï logo with the following text listed below : "CapMapsï Software".

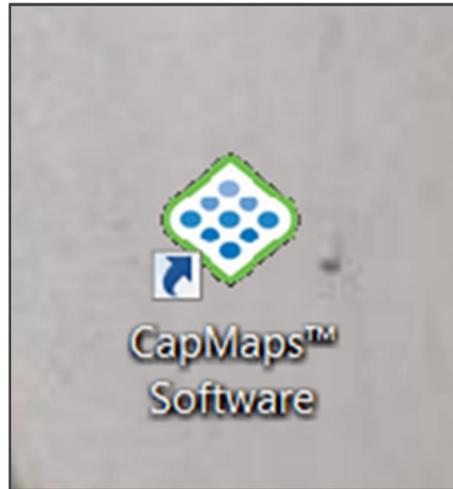

CapMaps™ : Uninstalling the Software

1. Open "Control Panel" on your computer. Select "Uninstall a program" from the Control Panel menu.
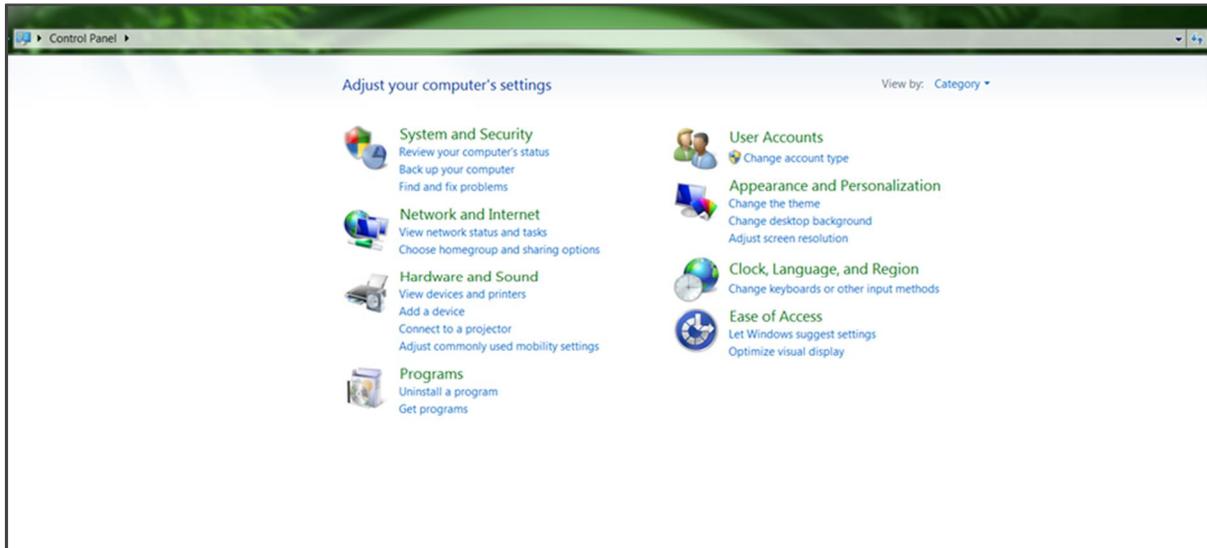

2. Select "CapMapsSetup" in the list of installed programs.
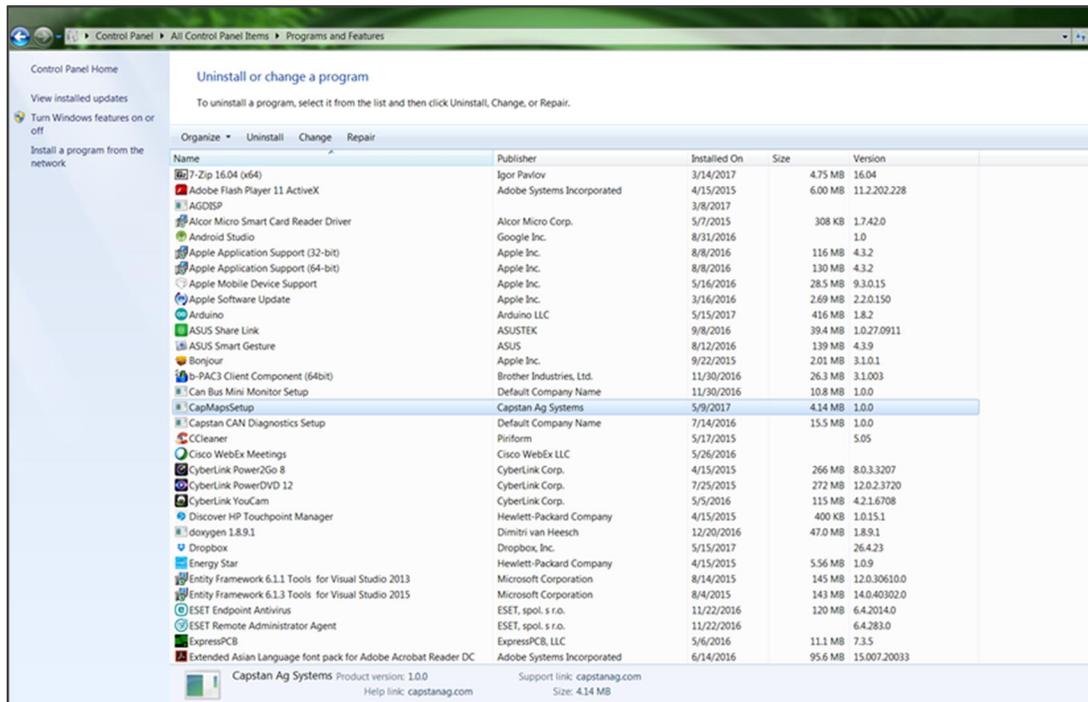

3. Select "Yes" from the Programs and Features box that shows.
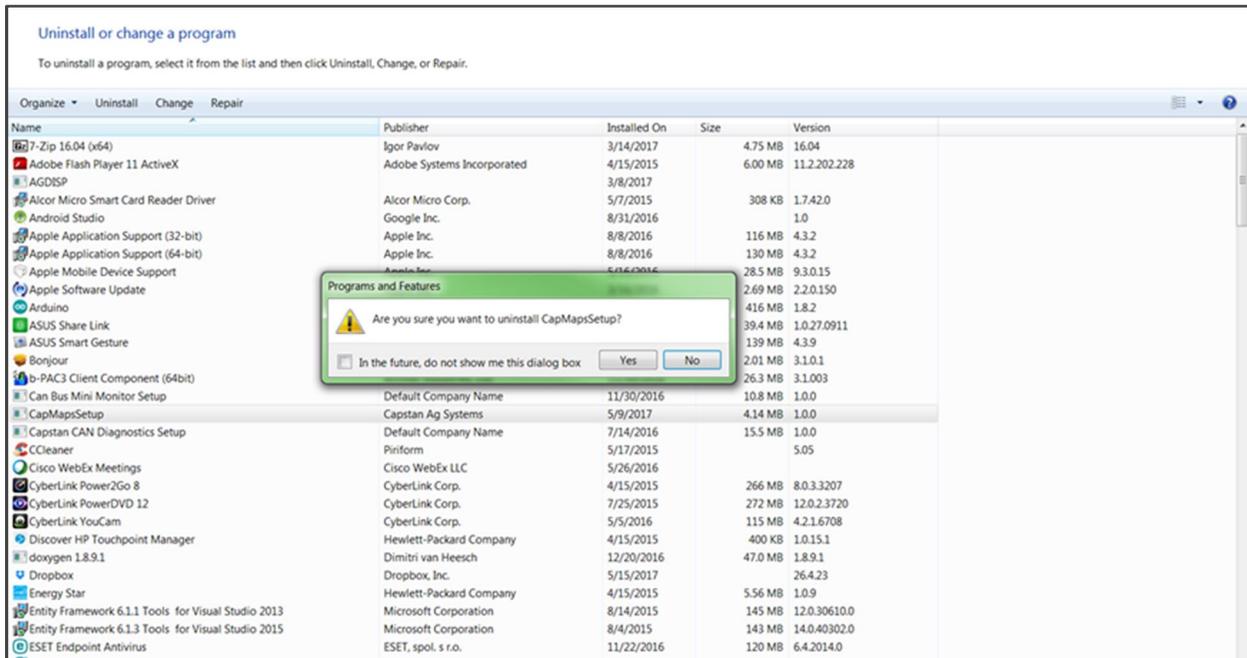

Please contact your local Field Marketing Representative or CapstanAGï for additional support.
